

**PSiRA**  
Private Security Industry Regulatory Authority

# Company Profile

"DO NOT BECOME THE MONSTER YOU ARE FIGHTING"

# About us:

The Business is located in Boksburg (East Rand) and will provide security services in this area as well as surrounding areas in the Gauteng Province.

LGEP is delivering its services with PRIDE, it continuously strives to exceed the client's expectations by cross-pollinating best practices across industries. The Business operates 24/7 and actively participates in community initiatives that improves awareness citizen safety and welfare.

"Our People Are Our Product"

LEGENDARY GUARDIANS EXCLUSIVE PROTECTION (PTY) LTD

# The Founders

The Business owners have vast experience in the security sector, which includes, 3 years of CPF experience as a Deputy Chairman of CPF, working hand-in-hand with the South African Police Service (SAPS) to reduce crime level through patrolling certain areas on a daily basis and making the areas Crime Free. LGEP has considerable experience in providing executive protection services and provides client/s with protection against specific and credible threats made against their client/s. LGEP provides protection for many high profile individuals.

With the community, LGEP is able to host Area Clean-Ups and Family Fun Days as there is trust and that has been built. Additionally, the Business supports an organization for abused woman and children through collecting donation / sponsorship on a weekly basis. LGEP is managing WhatsApp Groups for every area that it created 3 years ago namely, Area Crime Prevention, Ward, Crime and Traffic groups, Missing Persons, Pet East Rand & Businesses East Rand.

The Business has a trustworthy one-on-one relationship with the community members, and it hosts weekly meetings with the ward councilor regarding service delivery issues and getting solutions to the problems. LGEP's vision is to build a private security brand that will become the number one choice for both individual and corporate client/s in the whole of Gauteng. The vision reflects the Business's values, and essentially LGEP will sell peace of mind to its clients.

# AWARDS AND RECOGNITION

LGEP takes the time to carefully select each individual that possesses it's shared values. The Business then takes the time to train each officer to believe they can make a difference and make people feel safe through their first impressions, their smile, deportment, manners and knowledge. Form routine operations to contingency planning and crisis management, the diversified services and advanced technology provided by LGEP will protect and safeguard our client/s.

Clean Parks - Crime Free Areas

LGEP believes if it is not measured,  
it is not getting anything done.

Your confidentiality is of the utmost  
importance to us

# VIP Protection & Body Guarding:

LGEP is providing Executive Protection Services and provides client/s with protection against specific and credible threats made against their person.

We provide security and protective services at high profile conferences and events, and provide enhanced security coverage at private residences.

All our professionals are certified protection professionals (CPP) and licensed experts at mitigating risk and ensuring your personal safety.

Your confidentiality is of the utmost importance to us.

# Asset Guarding Division:

LGEP provides safeguarding services and do visible patrols, looking after clients' buildings, office premises, homes, commercial and industrial properties, complexes, airports, shopping centres / shopping malls as its personnel is specifically trained to match its client's exact requirements.

All our Guards are PSIRA Registered.

Our Uniforms were designed for high-visibility and to communicate the desired image of protection, deterrence and safety.

# Road Side Protection:

Should you be stuck on the side of the road you are welcome to contact LGEP.

It is a dangerous world out there and therefore we offer a free of charge service where we will drive out to you and assist you by waiting with you until your Roadside Assistance arrives.

Protecting you and your loved ones is our Number 1 aim.

Note this service is only available in the East Rand, until till further notice.

# Off-Side Monitoring:

Have peace of mind through 24-hour surveillance of your essential day to day systems and security.

We not only offer early warning and detection of security threats but we provide the capacity of placing surveillance in multiple locations and monitoring simultaneously.

You will have the opportunity to view your cameras in the comfort of your own homes or wherever you might find yourself.

Monitoring a current system is possible. Once the system is live, monitoring is immediate.

# Pacific Gold Services (Bike Officer's):

Bike officers are able to quickly move over large areas while maintaining high visibility and deterrence.

They are able to penetrate and pass through crowds easily, enabling quick responses where vehicles would be hampered.

This is an excellent crime prevention service in cases of theft and any unwanted activities in our Parks.

Our Officers will roam the areas 24/7. This service is a perfect Crime Prevention to block areas off and to have eyes and ears 24/7.

# CCTV:

Our technicians have experience in all CCTV (IP & Analog), we deliver specialized and best effective CCTV solutions suited for each individual application.

# ALARMS:

An Intruder alarm system is a set of interconnected devices aimed at protecting your premises, against intruders and to notify the homeowner / business owner and the monitoring center of any violation of the protected zones. We help you protect those who are most dear to you without burdening your daily household / business movement.

# INTERCOMS:

With clear audio quality and professional installation/s, our intercoms are a cut above the rest. We await your call for further assistance!

# ACCESS CONTROL:

Physical access control restricts access to physical space within the business or organization or even your home - this type of access control limits access to rooms, buildings, and assets. Besides, physical access control keeps track of who is coming and going in restricted areas. Contact us for all your ACCESS CONTROL requirement/s.

# GATE & GARAGE AUTOMATION:

Garage door motors are like gate motors with regards to strength, battery backup, etc. Please enquire about your specific application - sectional, tip-up, or roll-up. Expandability includes intercom integration, safety beams, proximity reader access, and integration with other receivers.

# ALARMS:

An Intruder alarm system is a set of interconnected devices aimed at protecting your premises, against intruders and to notify the homeowner / business owner and the monitoring center of any violation of the protected zones. We help you protect those who are most dear to you without burdening your daily household / business movement.

# ELECTRIC FENCING:

It is our belief that Electric Fencing is the first line of defence against intruders trying to get into your premises therefore, your fence should be up and running with full alarm notification of an incident, AT ALL TIMES. We build fencing for any requirement and specialise in big scale projects.

# MEDICAL RESPONSE & FIRE FIGHTING ASSISTANCE:

A number of years ago, the community experienced difficulty in obtaining emergency medical services. The Precincts at that time made the decision to introduce a paramedic service for the benefit of their members. A vehicle was put in place and this vehicle is currently manned by LGEP MEDIC With fire fighting experience for more than 20-years service. Anyone who has made use of this service will be able to tell you just how competent and dedicated these paramedics are to the community. Supporting the precincts in the East Rand area, all patients are handled be it private or public hospitals. A response car and the assistance from ER24 ambulance, with a dedicated Precinct Medical Response vehicle exclusively for precinct clientele is available 24/7. All our staff are professionally and medically trained for any medical emergency, and fire fighting qualifications. By making use of the LGEP Emergency Number, 078 845 9071, you have immediate access to our services including any medical emergency requiring immediate medical treatment at your home or business. Should you need to be hospitalized, we will transport you to the nearest appropriate receiving hospital, although transportation to the hospital would be for your own account. We also offer any medical advice when needed. The paramedic vehicle responds to a large variety of calls, including chest pains, falls, motor vehicle accidents, attempted suicides, women in labour, and various other injuries / emergencies. We are also called to crime scenes to treat victims who have been assaulted by criminals. We currently attend to over 350 call-outs per month and this figure is constantly increasing. We offer these services to you 24/7. All patients are treated professionally and with dignity!

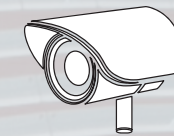

# NAVIC LPR:

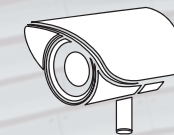

ANPR ( Automated License Plate Recognition) is the new buzzword in town and for good reason. The technology that is being deployed to search and scour our suburbs for cars of interest is "state of the art" and delivering fantastic results. Whether it be through our Mobile ANPR lightbars or our Static Fixed Cams, we can Taylor make a solution for you that will deliver results to your clients all day long. Whether you have existing ANPR or not you need to see what NAVIC can do for you, it may be the game changer that you are looking for.

- ✓ By using NAVIC Automated Proactive Alert System, your location can decrease the risk of becoming a target.
- ✓ NAVIC will assist you and SAPS in the investigation of crime where a vehicle was used.
- ✓ You will be able to monitor vehicle movement in the vicinity of your location.

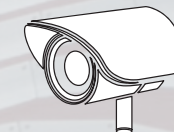

LPR cameras that can be installed at various locations, some of these locations include.

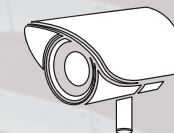

Shopping Malls

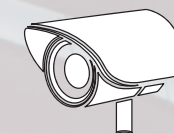

Residential Complexes

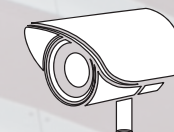

Business Complexes

Residential Suburbs

Rural Farm Lands

Anti Poaching Projects

# Vehicle Tracking:

It is a pleasure to inform you that LGEP is among a small number of companies which are using the worlds latest technology for vehicle tracking, fleet management and other asset securing equipment.

# Our Name Says It All:

---

## Legendary:

Our special qualities set us aside from the rest. The word is favoured because it's a famous word used by strong and steadfast people. We are unafraid and humble.

## Guardians:

A Guardians main JOB is to protect. But its CALLING is to serve. No matter the storm, situation or request, we remain as steadfast and as strong as the guardians you need.

## Exclusive:

We don't choose certain clients, but they will always feel like they have been chosen. We are committed to conducting and sustaining excellence in every form of deliverance. Quality will never deteriorate.

## Protection

A sense of security and peace is formed. That is exactly what we want you to feel when you read this word in our name. Outside forces must not intimidate you because you know you have us by your side.
