LEGENDARY GUARDIANS EXCLUSIVE PROTECTION (PTY) LTD

# LEGENDARY GUARDIANS EXCLUSIVE PROTECTION (PTY) LTD

The business is located in Boksburg (East Rand) and will provide security services in this area as well as surrounding areas in the Gauteng province.

LGEP is delivering its services with PRIDE, it continuously strives to exceed the client's expectations by cross-pollinating best practises across industries. The Business operates 24/7 and actively participates in community initiatives that improves awareness citizen safety and welfare.

## THE FOUNDERS

**CLINTON FESTRAETS**  
FOUNDER @ MANAGING DIRECTOR

**LETICIA FESTRAETS**  
FOUNDER @ ADMINISTRATION

The Business owners have vast experience in the security sector, which includes three years of CPF experience as a deputy chairman of CPF, working hand-in-hand with the South African police services (SAPS) to reduce crime level through patrolling certain areas on a daily basis and making the area crime free.

LGEP has considerable experience in providing executive protection services and provides client/s with protection against specific and credible threats made against their client/s. LGEP provides protection for many high-profile individuals.

With the community, LGEP is able to host area cleanups and family fun days as there is trust and that trust is built. Additionally, the business supports and organisation for abused woman and children through collecting donation / sponsorship on a weekly basis. LGEP is managing WhatsApp groups for every area that it created 3 years ago namely Area Crime Prevention, Ward, Crime and traffic groups, missing persons, Pet East Rand and Business East Rand.

The businesses has a trustworthy one-on-one relationship with the community members, and it hosts weekly meetings with the ward councillor regarding service delivery issues and getting solutions to the problems. LGEP's vision is to build a private security brand that will become the number one choice for both individual and business."

## AWARDS AND RECOGNITION

LGEP takes the time to carefully select each individual that passes its shared value, the business then takes the time to train each officer to believe they can make a difference and make people feel safe through their first impressions, their smile, deportment, manners and knowledge, from routine operations to contingency planning and crisis management, the diversified services and advanced technology provided by LGEP will protect and safeguard our client/s.

- CLEAN PARKS - CRIME-FREE AREAS
- LGEP BELIEVES IF IT'S NOT MEASURED, IT IS NOT GETTING ANYTHING DONE
- YOUR CONFIDENTIALITY IS OF THE UTMOST IMPORTANCE TO US
- COMMUNITY SAFETY
- SERVICE EXCELLENCE
- SAFETY DRIVEN

## SERVICES

### VIP PROTECTION & BODY GUARDING

LGEP is providing Executive Protection services and provides client/s with protection against specific and credible threats made against their person.

We provide security and protective services at high-profile conferences and events, and provide enhanced security coverage at private residence.

All our professionals are certified protection professionals (CPP) and licensed experts at mitigating risk and ensuring your personal safety.

Your confidentiality is of the at most important to us.

### ASSET GUARDING DEVISION

LGEP provide safeguarding services and do visible patrols, looking after clients' buildings, office premises, homes, commercial and industrial properties, complexes, airports, shopping centres / shopping malls as its personnel is specifically trained to match its clients' exact requirements.

All our guards are PSIRA registered.

Our uniforms were designed for high-visibility and to communicate the desired image of protection deterrence and safety.

## SERVICES

### ROAD SIDE PROTECTION

Should you be stuck on the side of the road you are welcome to contact LGEP.

It is a dangerous world out there and therefore we offer a free of charge service where we will drive out to you and assist you by waiting with you until your roadside assistance arrives.

Protecting you and your loved ones is our number one aim.

Note this service is only available in the East Rand, until further notice.

### OFF-SITE MONITORING

Have peace of mind through 24-hour surveillance of your essential day-to-day systems and security.

We not only offer early warning and detection of security threats but we provide the capacity of placing surveillance in multiple locations and monitoring simultaneously.

You'll have the opportunity to view your cameras in the comfort of your own homes or wherever you might find yourself.

Monitoring a current system is possible. Once the system is live, monitoring is immediate.

## SERVICES

### PACIFIC GOLD SERVICES

Bike officers are able to quickly move over large areas while maintaining high visibility and deterrence.

They are able to penetrate and pass through crowds easily, enabling quick responses where vehicles would be hampered.

This is an excellent crime prevention service in cases of theft and any unwanted activities in our parks.

Our Officers will roam the area 24/7. This service is a perfect Crime Prevention to block areas off and to have eyes and ears 24/7.

### CCTV

Our technicians have experience in all CCTV (IP and Analog), we deliver specialised and best effective CCTV Solutions suited for each individual application.

## SERVICES

### ACCESS CONTROL

Physical access control restricts access to physical space within the business or organisation or even your home - this type of access control limits access to rooms, buildings, and assets. Besides, physical access control keeps track of who is coming and going in restricted areas.

Contact us for all your ACCESS CONTROL requirement/s.

### ALARMS

An intruder alarm system is set of interconnected devices aimed at protecting your premise, against intruders and to notify the home / business owner and the monitoring centre of any violation of the protected zones.

We help you protect those who are most dear to you without burdening your daily household / business movements.

## SERVICES

### INTERCOMS

With clear audio quality and professional installation/s, our intercoms are a cut above the rest. We await your call for further assistance.

### GATE & GARAGE AUTOMATION

Garage door motors are like gate motors with regards to strength, battery backup, etc. Please enquire about your specific application – sectional, tip-up or roll up.

Expandability includes intercom integration, safety beams, proximity reader access and integration with other receivers.

## SERVICES

### ELECTRIC FENCING

It is our belief that electric fencing is the first line of defence against intruders trying to get into your premises therefore, your fence should be up and running with full alarm notification of an incident, AT ALL TIMES.

We build fencing for any requirement and specialise in big scale projects.

any medical emergency requiring immediate medical treatment at your home or business. Should you need to be hospitalized, we will transfer you to the nearest appropriate receiving hospital, although transportation to hospital would be at your own cost. We also offer any medical advice when needed. The paramedic vehicle responds to a large variety of calls, including chest pains, falls, motor vehicle accidents, attempted suicides, women in labour, and various other injuries / emergencies. We are also called to crime scenes to treat victims who have been assaulted by criminals. We currently attend to over 350 call-outs per month and this figure is constantly increasing. We offer these services to you 24/7. All patients are treated professionally and with dignity.

### MEDICAL RESPONSE & FIRE FIGHTING

A number of years ago the community experienced difficulty in obtaining emergency medical services. The precincts at that time made the decision to introduce a paramedic service for the benefit of their members. A vehicle was put in the place and this vehicle is currently manned by LGEP MEDIC with firefighting experience for more than 20 years' service. Anyone who has made use of this service will be able to tell you just how competent and dedicated these paramedics are to the community. Supporting the precincts in the East Rand area, all patients are handled be it private or public hospitals. A Response car and the assistance from ER24 ambulance, with a dedicated Precinct medical response vehicle exclusively for precinct clientele time is available 24/7. All our staff are professionally and mentally trained for any medical emergency, and firefighting qualifications. By making use of the LGEP emergency number, 078 845 9071, you have immediate access to our services including

## SERVICES

### NAVIC LPR
